# SHATTER THE STIGMA

An Interprofessional Simulation with Standardized Patients  
**June 21, 2024 | 8:30 AM - 12:30 PM (Virtual)**

Because healthcare professionals are typically the first points of contact for a person with a **substance use disorder** (SUD), we should all take the necessary steps to reduce the potential for stigma and negative bias. Take the first step in shattering the stigma of SUDs by learning and practicing the use of destigmatizing patient interviewing techniques with standardized patients.
